

RFR WIN MAGIC CIRCLE AWARD

We are delighted to announce that RFR – The Property Private Office has been awarded ‘Industry Newcomer of the Year’ at this year’s Citywealth Magic Circle Awards. In 2015, we launched ‘The Property Private Office’ to give full voice to the breadth of professional services we offer clients across residential property. This prestigious award is recognition of RFR’s position amongst the leading law firms, accountancy firms and trust firms advising private clients and alongside the City’s leading wealth management firms.

The Citywealth Magic Circle Awards are held annually to find the best professional advisors and wealth managers in the global wealth industry. The awards are decided by a panel of ten judges from amongst the world’s leading figures in the private wealth industry. Fellow winners at this year’s awards included Deloitte, Rothschild, Withers, PwC, Maurice Turnor Gardner, Farrer & Co, C Hoare & Co and Macfarlanes.
