

About the Awards

The STEP Private Client Awards are your opportunity to demonstrate excellence to your peer group and clients.

These prestigious awards highlight excellence among private client solicitors/attorneys, accountants, barristers, bankers, trust managers and financial advisors.

The Awards are open for both STEP members and non-members to enter and all categories are open internationally and assessed by an independent panel of expert judges.

The Awards judges assess entries and shortlist up to five nominees per category. They are supported by a Panel of Experts selected by the judges and represent internationally renowned solicitors, lawyers, accountants, financial advisors, barristers and trust companies.
